A handwritten signature in black ink, appearing to be "R. Lee", written over a horizontal line.

We have continued to deliberate, and considered all the instructions we have been given. We have not singled out any part of the instructions or ignored any part either. ~~After~~ We have honest beliefs that are guiding our decisions, and feel to cross them would go against the instructions. We are deadlocked on the decisions. We have voted numerous times on a verdict, and returned the same results over and over since Tuesday of last week.
